Dear Mr. Phuc

Regarding the subject project, I would like to thanks for your support to Doosan since 2007 to now.

We have been using your company service for HRSG repairing of our warranty issues in Phu My 2-1 extension, Phu My 3 and Ca Mau 1 & 2. It would say that it is really good service. Your staffs are working very hard and co-operation with us.

We also are going to ask your company to do some pending warranties in the coming MO outage of Ca Mau power plant. We hope that you will do the good job like before. Thanks,

If you have question, please contact to me.

Thanks and Regards,
Chong-Myoung Bae/Senior Manager-Warranty

16th September 2010

Dear Sir,

This letter confirms Son Vu Co was contracted to under take the HRSG steam valves, Gas turbine filter house, Cooling water pumps, condensers maintenance and repairing requirements in relation to the product system of Phu My 3 Power Plant in the yearly maintenance of plant of the year 2007 to 2010.

The works have completed by Son Vu Co in accordance with good performance practice and Phu My 3 Power Plant requirements and with a high degree of professionalism. Phu My 3 Power Plant has been satisfying with Son Vu's performance in respect of the project and would consider working with Son Vu Co, again, should future opportunities present themselves.

I would like to take this opportunity to thank Son Vu Co for its contribution to the maintenance activities and its successful outcome.

Your sincerely,

IWASAKI TOMOHARU

Maintenance Manager
